-(iOS) Limited Time Sale! 2.99\$

-(Android) Unlock Full Game Limited Time Sale! 2.99\$

•About the App

-Mercenaries Saga 2 is a Tactical Simulation RPG based on a fantasy world's stage.

-Battles engage in quarter view map and tactics vary from different terrain.

Characters can take advantage from standing position to assist each other and attacking enemies' back.

-Use acquired points to learn new skill and change class, level up by free battle, full repeatable gameplay is possible.

-Story

Claude is the leader of Crown Prince Laz's Silver Eagle Order.

The mission that day was to protect the Crown Prince on a hunting expedition. But what appeared on the hunting grounds was not a prey, but a killer out for the Crown Prince's life.

Claude repelled the killer and let the Crown Prince escape, but he soon realized the killer they found had just been a decoy.

He had saved the Crown Prince's life by a hair's breadth, but in the end the Prince had been pierced by the killer's poisoned sword.

To save the Crown Prince, Claude and his Silver Eagle Order headed north to find the sole antidote, the flower of Erni.
